this sheet music book will help you begin to play music simply and easily with no
required knowledge of reading notes if you are a beginner playing by notes can be
difficult it is easier to follow letters traditional kalimba tablature calls tabs each tabs
should match the number of tines on your kalimba for example if your kalimba has 8
tines you need to search for 8 note kalimba tabs our sheet music is not tabs and it is
not for a specific kalimba but it is universal and suitable for any 8 17 note kalimbas
follow the letters and begin to play even if you don't know musical notes you will
confidently be able to play easily using the letter notation this book might include
only letters and it will be enough to begin to play but we decided to add classic note
symbols to help teach them and show musical notation all songs were adapted
especially for the kalimba which is a diatonic musical instrument and has no flat keys
most songs will be played within one octave attention songs have been transposed
for a diatonic range some melodies might be changed and simplified list of songs

we call this series i don't read music since we are targeting beginners of all ages children teens parents grandparents folk music traditionally is not learned from sheet music or notes instead it is learned by repetition and from being passed from

generation to generation we believe in this method of teaching which is easier and more enjoyable this songbook includes 65 familiar and easy to play songs and melodies most songs have been simplified and transposed for one octave so the songbook is suitable even for a diatonic 8 note kalimba in c scale and 10 or 17 note as well since this book is aimed at the absolute beginner without any knowledge of reading music we do not use here the classical music staff and do not show the note duration you can experiment with the duration on your own we recommend finding each of these songs on youtube and listening to the rhythm before beginning to play our sheet music is only a guide the most important thing is to listen and repeat the recordings if you are a beginner playing by note can be difficult it is easier to follow number coded circles in this songbook by simply following the numbers you will sound like an experienced musician contents alphabet song a hunting we will go a sailor went to sea acka backa are you sleeping baa baa black sheep baby bumble bee bell horses bim bum biddy bobby shafto brahms lullaby chumbara cobbler mend my shoe cock a doodle doo cotton eyed joe ding dong diggidiggidong do you know the muffin man doggie doggie doctor foster fiddle de dee five little ducks five little monkeys frog in the meadow good night ladies happy birthday hot cross buns humpty dumpty i like to eat apples and bananas i love little kitty it s raining itsy bitsy spider jack and jill jingle bells jolly old saint nicholas kookaburra la cucaracha little jack horner london bridge mary had a little lamb miss mary mack my hat ninety nine bottles ode to joy oh susannah oh we can play on the big bass drum old bald eagle old blue old mcdonald old mother hubbard one two three four rain rain go away ring around the rosie row row your boat rub a dub dub see saw margery daw ten in the bed the beep and the pup the big sheep the mulberry bush the wheels on the bus this old man tinga layo to market to market twinkle twinkle little star we wish you a merry christmas

welcome to the enchanting world of kalimba music here s everything you need to begin creating beautiful melodies no prior musical experience or ability to read sheet music is necessary to start playing right away playing is as simple as following the numbers simple melodies for 8 10 or 17 key kalimba this sheet music is designed to be adaptable for any kalimba whether you have a compact 8 note instrument or a larger 17 note version play right away with numbered notes each circle on the sheet corresponds to a specific note number matching each key on your kalimba the duration of the notes is shown by the parentheses following the circles the more parentheses after the circle the longer the note s duration a whole note has three parentheses and the durations of other notes are illustrated in the accompanying picture a dot after the note indicates an additional half parenthesis duration a dot above a note indicates a higher octave as is common on kalimba keys it s important to note that the circles do not represent semitones as kalimbas are typically not tuned in semitones every page includes qr codes that link to the appropriate song while these examples might not feature our simplified melodies they help in understanding the melodies and rhythm this songbook includes the following songs alabama gal alice the camel all join hands and circle to the left animal fair barbara polka barnyard song bend and stretch big clocks bim bum biddy bluebird bought me a cat buckeye jim cackle cackle mother goose camptown races chicken on a fence post cock a doodle doo come back home my little chicks creeping creeping little flea the crocodile diddle diddle dumpling do your ears hang low elevator song finger family five little ducks five little monkeys five little speckled frogs frog went a courtin georgie porgie go tell aunt rhody goosey goosey gander halloween song hickety pickety my black hen i go up the apple tree i love little kitty i went to visit a farm one day i m a little teapot i m a nut jig jog johnny works with one hammer kangaroo

percussion instruments may be our oldest musical instruments but only recently have they become the subject of extensive scientific study this book focuses on how percussion instruments vibrate and produce sound and how these sounds are perceived by listeners

this important study in ethnomusicology is an attempt by the author a musician who has become a social anthropologist to compare his experiences of music making in different cultures he is here presenting new information resulting from his research into african music especially among the venda venda music he discovered is in its way no less complex in structure than european music literacy and the invention of nation may generate extended musical structures but they express differences of degree and not the difference in kind that is implied by the distinction between art and folk music many if not all of music s essential processes may be found in the constitution of the human body and in patterns of interaction of human bodies in society thus all music is structurally as well as functionally folk music in the sense that music cannot be transmitted or have meaning without associations between people if john blacking s guess about the biological and social origins of music is correct or even only partly correct it would generate new ideas about the nature of musicality the role of music in education and its general role in societies which like the venda in the context of their traditional economy will have more leisure time as automation increases
