idea that the enlightenment consisted in the freedom of the individual to reason for herself gandhi on the other hand remained close to the indian philosophical tradition which linked individual freedom to moral progress puri points out that tagore cannot however be unreflectively assimilated to the enlightenment project of western modernity for he came fairly close to gandhi in rejecting the anthropocentrism of modernity and shared gandhi s belief in an enchanted cosmos the only single authored volume on the tagore gandhi debate this book is a welcome addition to the existing literature
