a collection of essays from leading academics about the nature of war and the capacity for peace as applied to human nature

as the most populous province in canada ontario is a microcosm of the animal welfare issues which beset western civilization the authors of this book chairman and vice chairman respectively of the ontario society for the prevention of cruelty to animals find themselves constantly being made aware of the atrocities committed in the society s jurisdiction they have been in turn puzzled exasperated and horrified at humanity s cruelty to our fellow sentient beings the issues discussed in this book are the most contentious in animal welfare disputes animal experimentation fur farming and trapping the use of animals for human entertainment and the conditions under which animals are raised for human consumption they are complex issues and should be thought about fairly and seriously the authors standing squarely on the side of the animals suggest community and belonging as concepts through which to understand our relationships to other species they ground their ideas in wordsworth s primal sympathy and jung s unconscious identity with the animal realm the philosophy developed in this book embraces common sense and compromise as the surest paths to the goal of animal welfare it requires respect and consideration for other species while acknowledging our primary obligations to our fellow humans

genetics is currently at the forefront of scientific research and discussed almost daily in the media the possibilities for good and bad applications of this research are enormous and cannot be properly advanced without a christian response this cutting edge book presents the legal scientific medical and theological perspectives of genetic engineering based on a christian worldview

sami milloshis newest collection of poetry albanian tattoo is an emotional exploration of some of the collateral damage of emigration unaccounted for by a shallow assumption of hope in an american dream milloshis work presents a linguists playground with fascinating discourse patterns at once cajoling and poignant cleverly interspersed with sharp musings and hidden metaphors milloshis second book of poetry not written in his native tongue albanian tattoo examines the themes of homesickness hope and love of family and freedom the use of his newly learned language to express his observations and his essence is surprising and innovative even as the subject matter turns bitter he reflects on his personal struggles and how they have deepened his thoughts about the values of life making love and freedom sacred to him i saw my river i saw my river it flooded lands dreams houses wedding parties deaths kisses and all ached in my heart i saw my river calming down songs and roses had no thirst expecting the caress of this waters to come they bloomed in my soul my river is not a woman without womb i know the source from which it flows

in technology and anarchy a reading of our era simona chiodo argues that our technological era can be read as the most radical form of anarchism ever experienced people are not only removing the role of the expert as a mediator but also trying for the first time in history to replace the role of a transcendent god itself by creating especially through information technology a totally immanent technological entity characterized by the typical ontological prerogatives of the divine omnipresence by being everywhere omniscience by knowing everything especially about us omnipotence by having power especially over us and inscrutability chiodo proposes a novel view of our technological era by reading it as the last step of a precise trajectory of western thought i e as the most radical form of anarchism we have ever experienced due to the crisis of the founding epistemological relationship between ideality and reality by doing this chiodo helps fill the gap between technological innovation and the humanities which is becoming an emerging research goal that is more and more urgent in order to face the greatest challenges of our present and future
